- (b) Any application fee related to a change in membership status shall be reduced by an amount equal to any application fee previously paid by the applicant.
- (c) Dues shall be prorated from the first day of the month in which the member is notified of election by the Board of Directors and shall be based on the new membership status for the remainder of the year.

Section 2. Purpose. A Multiple Listing Service is a means by which authorized participants make blanket unilateral offers of compensation to other Participants (acting as subagents, buyer agents, or in any other agency or non-agency capacities defined by law); by which cooperation among participants is enhanced; by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which Participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information so Participants may better serve their clients and the public. Entitlement to compensation is determined by the cooperating broker's performance as a procuring cause of the sale or lease.

Section 3. Governing Documents. The Board of Directors shall cause any Multiple Listing Service established by it pursuant to this Article to conform its corporate charter, Constitution, Bylaws, Rules, Regulations, and Policies, Practices, and Procedures at all time to the Constitution, Bylaws, Regulations and Policies of the NATIONAL ASSOCIATION OF REALTORS®.

Any REALTOR® member of this or any other Board/Association who is a principal, partner, corporate officer, or branch office manager acting on behalf of the principal, without further qualification, shall be eligible to participate in the Multiple Listing Service upon agreeing in writing to conform to the rules and regulations thereof and to pay costs incidental thereto. However, under no

circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service “membership” or “participation” unless they hold a current, valid real estate broker’s license and offer or accept compensation to and from other Participants are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Use of information developed by or published by an Association Multiple Listing Service is strictly limited to the activities authorized under a participant’s licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey “participation” or “membership” of any right of access to information developed by or published by a Association Multiple Listing Service where access to such information is prohibited by law. (Amended 11/08)

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. “Actively” means on a continual and ongoing basis during the operation of the participant's real estate business. The “actively” requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law. (Adopted 11/08)

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a “Virtual Office Website” (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants. (Adopted 11/08)

- (a) A nonmember applicant for MLS participation who is a principal, partner, corporate officer, or branch manager acting on behalf of a principal, shall supply evidence satisfactory to the Membership Committee that he/she has no record of recent or pending bankruptcy; has no record of official sanctions involving unprofessional conduct; agrees to complete a course of instruction (if any) covering the MLS rules and regulations and computer training related to MLS information entry and retrieval, and shall pass such reasonable and non-discriminatory written examination thereon as may be required by the MLS; and shall agree that if elected as a Participant, he/she will abide by such rules and regulation and pay the MLS fees and dues, including the nonmember differential, (if any) as from time to time established. Under no circumstances is any individual or firm entitled to MLS participation or membership

unless they hold a current, valid real estate broker's license and offer or accept compensation to and from other Participants, or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Use of information developed by or published by a Board Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed by or published by a Association Multiple Listing Service where access to such information is prohibited by law.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and ongoing basis during the operation of the participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law. (Adopted 11/08)

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a "Virtual Office Website" (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants. (Adopted 11/08)

- (b) Any applicant for MLS participation and any license (including licensed or certified appraisers) affiliated with an MLS Participant who has access to and use of MLS-generated information shall complete an orientation program of no more than eight (8) classroom hours devoted to the MLS rules and regulations and computer training related to MLS information entry and retrieval within thirty (30) days after access has been provided.

Section 5. Access to Comparable and Statistical Information. Board Members who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development, or building, but who do not participate in the MLS, are nonetheless entitled to receive, by purchase or lease, all information other than current listing information that is generated wholly or in part by the MLS including

“comparable” information, “sold” information, and statistical reports. This information is provided for the exclusive use of Board Members and individuals affiliated with Board Members who are also engaged in the real estate business and may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm except as otherwise specified in the MLS Rules and Regulations. Board members who receive such information, either as a Board service or through the Board’s MLS, are subject to the applicable provisions of the MLS rules and regulations whether they participate in the MLS or not.

Section 6. Subscribers. Subscribers (or users) of the MLS include non-principal brokers, sales associates, and licensed and certified appraisers affiliated with Participants.

These By-Laws adopted December 19, 2013, effective, December 19, 2013, replace all previous Constitution and By-Laws passed and amended. Amended October 2017.
