

# Fairhope Redistricting Proposal

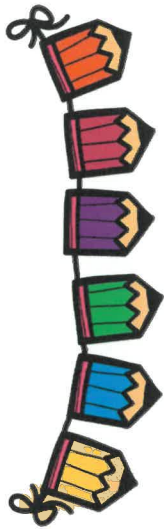

## INFORMATIONAL MEETING

### K-6 Reconfiguration:

- Students living in the zones shown on this map will remain in the Fairhope feeder pattern.
- Due to the purpose of this redistricting, there will be no “grandfathering” of students to a particular school in these areas.
- Students should attend the school they are zoned to attend, based on lines drawn, depicted on the new map.

### Redistricting: Guidelines for Grandfathering Middle and High School

- ONLY present residents of Dunmore or Old Field subdivisions can be grandfathered.
- IF you have a child(ren) presently in 5th–10th grade, your child(ren) will be grandfathered into the Fairhope feeder pattern.
- Rationale for grandfathering present 5th–10th grades:
  - Present 5th graders will be in 7th grade when redistricting takes place in 2020.
  - Present 10th graders will be seniors when redistricting takes place in 2020.
  - In other words, middle and high school students in the 2020-2021 school year will be grandfathered into the Fairhope feeder pattern.

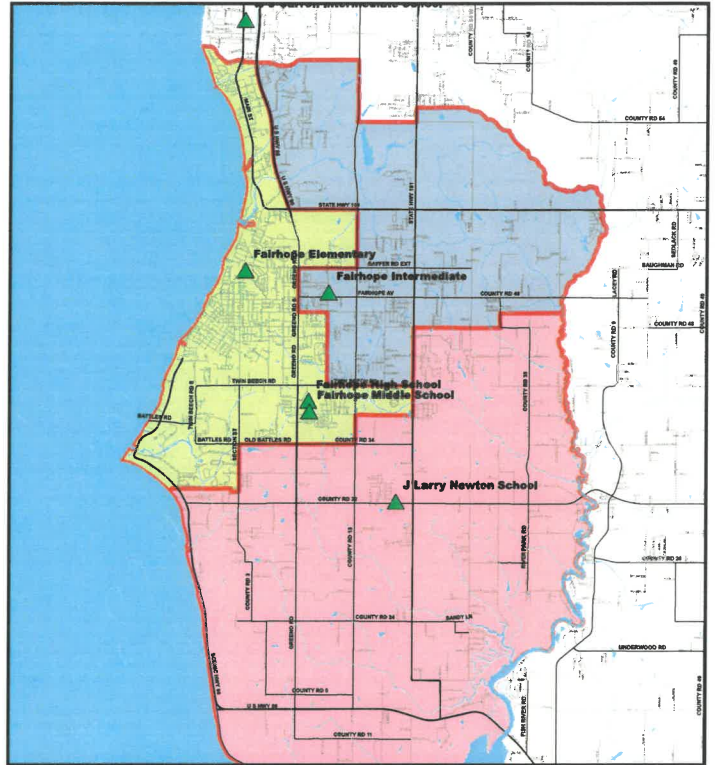

### Guidelines for Grandfathering Elementary Students

- If you have a child(ren) in 5th–10th grade, and a younger sibling(s) in Pre K-4th grades and enrolled in BCPS as of **May 23, 2019**, the younger sibling(s) will be grandfathered into the Fairhope feeder pattern.

### Clarification of Guidelines:

- Guidelines do not apply to an unborn child or if you are expecting a child.
- Guidelines apply only to students presently in BCBE 5th – 10th grades and siblings in Pre K– 4th grade.
- Guidelines do not pertain to students presently in private schools.
- Grandfathering is a choice. You may choose to stay at your current school or select the new school you are zoned to attend.
- Moving from your present location relinquishes your grandfathered status.
- Leaving the school you are grandfathered into, also gives up your grandfathered status.
- **Grandfathered children will not be transported by BCBE.**

### What about me?

- If you live in the Dunmore or Old Field subdivisions and your family did not meet any of the guidelines discussed in this flyer
- Your child(ren) will attend either Daphne East Elementary or the new Belforest Elementary School in August of the 2020-2021 school year:
  - If you live in the Old Field subdivision, your child(ren) will attend Daphne East Elementary beginning in August 2020-2021.
  - If you live in the Dunmore subdivision, your child(ren) will attend Belforest Elementary beginning in August 2020-2021.
